OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2010-52

TO: All ISIS HR Paid Agencies

FROM: Andrea P. Hubbard
Director

SUBJECT: LASERS Military Differential Pay

Effective June 14, 2010, LASERS contributions will no longer be withheld from ISIS HR Paid employees who receive military differential pay. This does not change the option that military reservists have to pay retirement contributions on the entire amount of state earnings that would have been received in order to receive retirement credit for benefit purposes.

Employees who elect to pay employee contributions on this pay must pay their agency directly, and agency personnel must then remit both the employee and employer contributions to LASERS. These contributions will not be reported in ISIS HR. LASERS will post the member contributions as non-sheltered (after-tax contributions).

Questions regarding this issue should be directed to LASERS Member Services Division at (225) 922-0600. For all ISIS HR questions please contact a member of the OSUP WTA Unit at _DOA-OSUP-WTA@la.gov or (225):
